

Box of Frogs

Jonny's got a box of frogs, he's running all over town.
He's trying to keep a lid on things, he knows he's let people down.

We've seen it all before, we know it'll happen again.
Some boys think they're the first amongst men.

History repeats itself round here.

Jonny had a box of frogs, he was running all over town.
One of those frogs jumped out of the box before Jonny could close it down.

History repeats itself round here.

Jonny had a box of frogs, he knew he'd let people down.
His mother always said that given the chance, he could be wearing a crown
